All riders must remember that while participating in RFTW, they serve to represent the Veteran Community as a whole. As such they must control their behavior and emotions to the best of their ability. Altercations, either verbal or physical, will not be tolerated. Extreme and/or repeated incidents of unruly or hostile behavior will be handled by the route coordinator, and he/she will determine what actions need to be taken to ensure the integrity and safety of the Run, including requiring an individual(s) to terminate their participation.

RFTW Animal Policy

All animals, regardless of their designation or status, must be on a leash at all times when around others. All animals are the sole responsibility of their owners. Any damage caused to people, other animals, hotel rooms, etc., are the sole responsibility of the owner. RFTW will NOT be responsible to maintain, rescue, control or help any animal at anytime. Failure to follow the RFTW animal leash policy will result in removal from the run. (For animals & owners.)

Run for the Wall Mission Statement

Run for the Wall Philosophy

We strive to maintain a safe, supportive and private atmosphere in which all participants can reflect and heal on their journey to the Vietnam Veterans Memorial in Washington, DC, and the Middle East Conflicts Wall Memorial in Marseilles, Illinois in the hope they can return home to a new beginning.

Run for the Wall Goals

- To guide the participants safely across America.
- To educate future generations on the importance of accountability in wartime actions, emphasizing that no one should be left behind.

HISTORY OF RUN FOR THE WALL®

By Founder James "Gunny" Gregory

In 1986, I rode my Wide Glide in the Los Angeles "Welcome Home" parade for Vietnam Veterans. I was the only biker, an active-duty Marine Corps Drill Instructor, and a Combat Vet. I met my Vietnam Fire Team Leader, Carl Rice, and visited the "moving wall" for the first time. Carl told me about live POWs left behind in Nam. I couldn't believe what he said, but he convinced me. He invited me to a breakfast Sunday morning to hear families talk about POW/MIAs. One of those speakers was Marion Shelton, the wife of Col. Charles Shelton...the last official Prisoner of War of the Vietnam War. That morning Marion enlisted several others and me into her army of POW/MIA supporters. She and Carl asked, "Can you help? What can the bikers do?"

Carl then walked from Los Angeles to Port Angeles, WA (his home), along interstate highways carrying the POW/MIA flag. At that time, I was the Chairman of the Board of ABATE of California, President of San Diego ABATE, life member of HOG, AMA, VFW, American Legion, VVA and knew veterans and bikers all over the world. It was a time for action, but I had to retire from the Marine Corps first. About the same time, ABATE received a letter from a Marine Vietnam veteran planning a rally on Memorial Day weekend of 1988, using veteran bikers as their voice to the government. They called the rally ROLLING THUNDER, named after the B-52 strikes that rolled through Vietnam. Another Vietnam Vet, Bill Evans, came to my home and asked for help planning and conducting a motorcycle run to Washington, DC. I told him I had begun the planning already, so we agreed to "do it" together. Bill named this pilgrimage RUN FOR THE WALL®! Another Nam Vet, Sam, and his wife, Margo, also joined our core group. We made up a black and yellow "Jane Fonda, American Traitor Bitch" patches, sold them through Easy Riders magazine and started raising funds.

I flew to DC to meet with Ray Manzo, Col. Earl Hopper, a POW family member, and Top Holland, our local point of contact. We had a successful meeting, and firmed up plans for Rolling Thunder II. At breakfast, we learned that Philippine Communist guerrillas murdered Col. Nick Rowe, a former POW and Special Forces Officer. Top served with Col. Rowe and knew him well. In 1988, I was the S-4 and Safety Officer for 2nd Bn, RTR, MCRD, in San Diego. That meant I had to attend safety school at Indiana University, Bloomington, IN. I took my leave and travel time to recon the routes for Run for The Wall®. I rode my bike eastbound on the southern route and returned via the middle route. Then a miracle happened.

Strangers and volunteers started calling and donating time, energy, food, and gas for these routes. Several vet groups, churches, and Motorcycle Rights Organizations were (and still are) the backbone of Run for The Wall®.

RFTW Central Route XXXV - Daily Itinerary

In May 1989, Marion Shelton saw the first Run leave from San Diego with a local police escort. Bill and I were in the lead. However, before we reached Ontario, Bill lost some of his gear, blew a tire, and then blew his motor. He spent the rest of The Run in the back of a pick-up. Pete then came up and helped with the pack and mechanical needs. This was the first time anyone had ever tried to lead a pack of motorcycles across country. Everyone said we were crazy. About 115 bikes left San Diego the first year. Most turned back in Las Vegas, but about 15 went all the way.

In Kansas, veterans and bikers paid our way through the toll booths on the turnpike, causing us to take our own "special" route around pay stations. In Charleston, WV, I tried to explain to an official of the WV DOT how this worked, but he would not listen. Therefore, I made the decision along with Gary Wetzel, MOH, to take Hwy 60 through the mountains. This fateful decision introduced us to Rainelle, WV, one of the most patriotic communities in America and now one of the major highlights of Run for The Wall®.

On Friday, May 26th, Run for the Wall® accomplished its mission, arriving in Washington, DC, and walking to The Wall. On Saturday, we laid a wreath at the Tomb of the Unknown Soldier. On Sunday, we helped lead Rolling Thunder with Gary Wetzel. This was one of the proudest moments of my life.

**THANK YOU TO EVERYONE WHO HAS MADE RUN FOR THE WALL®
THE SUCCESS IT HAS BECOME.**

RFTW Central Route XXXV - Daily Itinerary

Welcome to Run For The Wall® XXXIV - 2025 Central Route Detailed Daily Itinerary

“One MISSION - Four Routes”

My name is Kirk Olson, and on behalf of the RFTW Board of Directors, and as the 2025 Central Route Coordinator, it is my honor to welcome you to **Run For The Wall® XXXV**. This year marks the 50th Anniversary of the Fall of Saigon. According to the Defense POW/MIA Accounting Agency, last updated March 1, 2025: 1,573 of our brothers and sisters are still unaccounted for from the Vietnam War. Along with that number, there are 126 Cold War MIAs, mostly in or near China. Another 7,440 American service members are still missing from the Korean War. Additionally, 71,974 are unaccounted for from World War II. Since the Gulf Wars, September 11, 2001, and other conflicts, there are six more MIAs. Out of the 81,500 missing, 75% of the losses are located in the Asian Pacific, and over 41,000 of the missing are presumed lost at sea (i.e., ship losses, known aircraft water losses, etc). Even though efforts of JPAC (Joint POW/MIA Accounting Command) have been responsible for the recovery of hundreds of remains, we must continue to remain vigilant in the pursuit to bring our missing home.

American Servicemembers are still on duty throughout the world to protect our Freedom and way of life. It is imperative to obtain a full accounting of our missing from all our Nation's wars. As a part of the RFTW Mission, **we conclude our Annual Mission at the Vietnam Memorial Wall in Washington, D.C. on Saturday, May 24, 2025.**

This Mission would not be possible without the volunteers who make up our Teams. I have had the honor to work with and assemble the very best Leadership Team who join me in welcoming you to The RUN. Those who serve us on The Run include: Road Guards, Ambassadors, Staging Team, Fuel Team, Registration, Chaplain Corps, Platoon Leadership, Hydration Team, Leadership Support, Merchandise, Last Man /Chase Vehicles, and last but far from least our State Coordinators. Many of these volunteers work tirelessly all year to ensure the success of The Run. If you get a chance, PLEASE THANK THEM for all they do.

Be mindful that our **Road Guards** help us along the route. It is their responsibility to provide guidance and direction to us and the general public. Please follow their instructions at all times. They help us reach our destination with a minimum of inconvenience to the rest of the traveling public.

There are many other unseen volunteers who work together with our State Coordinators from coast-to-coast. These folks plan and raise money all year to help pay for tolls, fuel stops, and meals. Please show your respect and appreciation for what they do to aid us in the completion of our mission.

RFTW Central Route XXXV - Daily Itinerary

Here are a few important items to review:

- ➡ When you register, you will be given a wristband, an RFTW lanyard with plastic case attached, and various forms. Fill out the documents; place them in the plastic case and wear this around your neck at all times during The RUN. The wristband is your admission to our activities and the many benefits provided by our outstanding supporters.
- ➡ At Check-in, you will receive a bright plastic strip for RFTW Bike ID. Tie this strip in a visible spot on the LEFT FRONT SIDE, i.e., **Clutch Side** of handle bar or mirror stem of your motorcycle.
- ➡ At Check-in, you will also receive an **Adhesive Platoon Number**. It is to be placed on the left side of your windshield (**Clutch Side**), or fork (if no windshield), so the number faces forward. If facing your bike, it's the right hand side, or again the **Clutch Side**.
- ➡ Become familiar with this Booklet. It is your roadmap for the next 10 days.
- ➡ **We Leave as a Pack, We Arrive as a Pack.** Our supporters have worked hard all year to raise money, planning for our arrival. We need to show our gratitude to them by attending these ceremonies. Unless it is an absolute emergency, you should not be pulling out of the Pack.
- ➡ **THERE IS NO JOINING THE RUN "ON THE FLY":** We travel as a pack. If for some reason you were to have to leave the pack (to secure loose gear, for example), you would fall in behind the Last Man Vehicle and rejoin your platoon at the next scheduled gas or lunch stop, unless otherwise directed by a Road Guard or Leadership.
- ➡ There will be NO use of alcohol or drugs during the day while we are en route. Remember: This is a Mission, NOT a Party.
- ➡ Drivers and passengers of Slingshots and similar vehicles will be registered RFTW participants and will be assigned to the Trike platoon for the purposes of morning briefings, meetings and social activities. They do not ride with any platoon. They will ride behind the last man vehicle or independently, and will fuel independently.

Note: Helmets Are Mandatory On This Mission, NO EXCEPTIONS!

Attendance at the RIDERS MEETING EVERY MORNING IS MANDATORY. Before attending, you should have your gear packed, bike fueled, and ready to depart.

Departure times and the day's activities are posted in this booklet!

We honor our service men and women who are KIA, MIA or POW by riding in a Missing Man Formation at the front of the Pack. An announcement will be made at the Morning Riders Meeting, if slots are available.

RFTW Central Route XXXV - Daily Itinerary

Order of March for travel will be: Road Guard Platoon, Missing Man Formation, Central Route Leadership, Bike Platoons, Bikes/Trikes with trailers, Trikes, Chaplain Corps, followed by our Last Man Vehicle, and Official Chase Vehicles. For the safety of the motorcycles, we request that all other vehicles do not travel with the pack. For the safety of the Pack, please travel either two miles ahead or behind the Pack.

As we journey across this great land, please reflect on why we do what we do. Be mindful of the **RFTW Mission Statement**:

- To promote healing of ALL veterans and their families and friends;
- To call for an accounting of all Prisoners of War and those Missing in Action (POW/MIA);
- To honor the memory of those Killed in Action (KIA) from all wars and;
- To support our military personnel all over the world.

Philosophy: We strive to maintain a safe, supportive, and private atmosphere in which all participants can reflect and heal on their journey to the Vietnam Memorial in Washington, D.C. in hope that they can return home to a new beginning.

Goals:

- To guide the participants across America.
- To educate future generations as to the importance of accountability in wartime actions emphasizing that no one should be left behind.

To lead this Mission across our beautiful country is a great honor. I am very humbled indeed. The Central Route Leadership Team will do our very best to make RFTW XXXV a safe, memorable, and moving experience for each one of you.

Far too many of you have never been properly *Thanked for Your Service*, or properly *Welcomed Home*. You have never had the emotional parade expressing gratitude and pride in what you have accomplished.

This is all about to change... On the morning of May 14, 2025 at 0710, we roll out of Ontario, CA, on *The Greatest Mission in the Land!*

Run For The Wall® is YOUR parade across this magnificent country. The journey is emotional, it is long... and it is much overdue.

**To Each and Every Veteran, especially our FNGs,
"Thank you for your Service,
and WELCOME HOME!"**

RFTW FUELING GUIDELINES

The Platoons are directed to the fuel station by the Road Guards and to the pumps by the Fuel Team. Prior to approaching the fuel pumps, riders **MUST** fold up their highway pegs. Pegs are a hazard to all personnel due to the closeness of the motorcycles.

➔ **No Smoking (Mandatory Safety Requirement).**

- Be alert and watch for directions from the Fuel Team Members.
- Riders need to be aware of their surroundings due to extremely close quarters and high noise level.
- Road Guards and Platoon Leaders have priority and shall be moved to the front of the line. Please be patient as this is critical to The Mission.
- Riders and passengers will not dismount motorcycles until after leaving the fueling area.
- Motorcycles are fueled two abreast, on both sides of the pump.
- Unlock Fuel Cap Covers reaching the pump. Remove fuel cap. Have a place to hold or put the cap. You will need both hands free.
- Motorcycles must be shut off prior to fueling. (Mandatory Safety Requirement).
- Only premium grade (highest octane available) fuel is pumped.
- Do not top off fuel tank. This is unnecessary, as fuel stops are approximately 100 miles apart. This helps prevent fuel spilling on a hot engine. When finished, give the fuel hose back to the Fuel Team Member.

- **Payment for Fuel is Done ~ By Purchasing a One-Time Prepaid Fuel Sticker for \$35.00 WITH CASH. You will receive the Fuel Sticker at the check-in registration tables, when you check-in at an overnight stop.**

➔ **Please Consider Donating Your Change...**

Example: Cost of the Fuel Sticker is \$35. If you pay with two \$20 bills, or one \$50 bill, consider change as a donation, as it helps cover cost of fuel for our Chase Trucks.

- Depart pumps, making sure you watch for other motorcycles, and follow directions to Staging.
- **Not Fueling?** - Look for the "Bypass Fueling" Signs and follow directions.
